

Access World Book Encyclopedia from your mobile phone

World Book has now released a mobile-friendly version of its great encyclopedia database and now Sutherland Shire Library members can access it straight from their

android, iphone or blackberry.

There is a wealth of information contained in this very cute mobile friendly version including full articles from world book student, images, maps, illustrations, related articles and citation information.

World Book mobile lets you carry all the information with you - everywhere you go.

Imagine sitting on the train on the way to school with that homework you forgot to finish. Well now you can look up the answers on your mobile phone - and even cite them too.

To access world book mobile, follow these steps:

1. From your mobile go to [World Book Online](#) from the Library website.
2. Click on 'Search from Home'
3. You will be taken to the World Book mobile site. At the bottom of the page click on 'Access Full Site'.
4. Type in the full barcode on the back of your Library card. If you tick the 'Remember this password' box you won't have to keep entering your barcode to view the full version of an article.
5. Start searching!

Enjoy the new World Book mobile and tell us what you think by leaving a comment.
